Principal’s Leadership Award – Presenter Mr. Reed

High school principals were invited to nominate a student leader on the basis of their leadership skills, participation in service organizations and clubs, achievements in the arts and sciences, employment experience, and academic record. Student applicants were also required to write an essay. In recognizing leadership in co curricular activities-an essential part of the school curriculum-as well as academic performance, the PLA scholarship program values the importance of a well-rounded education. This year’s nominees from Central High school were:
